## Local Agency Aide to Talk To Lomitans

The workings of the Local Agency Formation Commission which has been set up in the county to pass on incorporation and annexation proposals will be explained to Lomita area residents and property owners Tuesday evening, according to May W. Ross, secretary of the Committee Opposing Incorporation of the Lomita Civic League.

S. M. Schmidt, staff officer of the new commission will speak at the meeting scheduled for 8 p.m. in the Fleming Junior High School auditorium. Secretary Ross said the meeting was scheduled to explain the commission to persons "who have been misled through local propagandists against the commission by persons whose proposals were un-sound."

In accepting the invitation to speak before the Civic League, Schmidt wrote "The Local Agency Formation Commission was not created for the benefit or detriment of any one group or agency within Los Angeles County. On the contrary, its purpose is to review and make determinations concerning incorporation and annexation proposals from a perspective that includes the entire county."

Schmidt added that "in general terms, the Commission's objective is to cure some very specific ills that are common to all metropolitan areas."

## Deadline for Alien Cards Is Tomorrow

Tomorrow is the final day for non-citizens to report their addresses to the Immigration and Naturalization Service as required under the provisions of the 1952 Immigration Act.

George K. Rosenberg, district director of the Immigration Service, said more than 40,000 aliens must file before tomorrow's deadline. The alien address cards are available at all United States Post Offices and the district office of the Immigration and Naturalization Service.

Persons having diplomatic status, representatives of certain international organizations, and agricultural laborers admitted to the United States temporarily do not need to file the reports.

More than half a million aliens are now living in Southern California, said Rosenberg.

SAVING FACE You can avoid criticism by saying nothing, doing nothing, and being nothing.
